

## **Schedule of Benefits**

### **AmeriHealth Caritas Next Bronze Signature + Free 24/7 Preferred Provider PCP/Urgent Virtual Care + No Referrals**

Benefit period: From 01/01/2027 through 12/31/2027 Calendar Year.

## About your Schedule of Benefits

This Schedule of Benefits outlines services that may be covered under your plan. Please refer to the Evidence of Coverage (EOC) document for more details on covered services and important limitations. Your EOC also describes preventive services covered with no-cost sharing. As a member, you are responsible for the deductible, copayments, and coinsurance for eligible services.

### Coinsurance

An amount you may be required to pay as your share of the cost for services or prescription drugs. Coinsurance is usually a percentage (for example, 20%).

### Copayment

A set dollar amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount, rather than a percentage. For example, you might pay \$10 or \$20 for a doctor's visit or prescription drug.

### Deductible

The amount you must pay for health care or prescriptions each year before our health plan begins to pay.

### Quantity Limits

A tool to limit the use of selected drugs for quality, safety, or utilization reasons. Drugs may be limited by the amount that we cover per prescription or for a defined period of time.

### Out-of-Pocket Maximum

The most that you pay out of pocket during the calendar year for in-network covered services, including deductibles and any cost sharing. Amounts you pay for your premiums and prescription drugs do not count toward the maximum out-of-pocket amount.

### Prior Authorization

Approval in advance to get services or certain drugs that may or may not be on our formulary. Some in-network medical services are covered only if your doctor or other network provider gets prior authorization from our health plan.

### Note:

AmeriHealth Caritas Next plans do not offer embedded pediatric dental coverage as there are stand-alone pediatric dental plans available in the exchange for purchase. AmeriHealth Caritas Next will inform consumers of the availability of stand-alone pediatric dental plans during the plan selection and enrollment process.

If you are the subscriber, and the only member covered under your health benefit plan, the individual out-of-pocket maximum amount applies. If you have other family members on your plan, the family out-of-pocket maximum amount applies. The plan has an embedded individual out-of-pocket maximum within the family out-of-pocket maximum. No one member can contribute more than their individual out-of-pocket maximum amount to the family out-of-pocket maximum. Copayment or coinsurance amounts a member pays for services shown as covered without an out-of-pocket maximum will not count toward meeting the individual or family out-of-pocket maximum.
